COSMETICS & SKINCARE

Brand Name – “AURA BEAUTY “

The identity is designed to work across skincare packaging, cosmetic products, shopping bags, business cards, storefront signage, social media, and digital marketing materials.

Symbol Design

- The letter A forms the central element of the logo.
- The stylised letter creates a distinctive and recognisable brand symbol.
- Curved lines and leaf-inspired details introduce a natural, elegant appearance.
- The simplified structure makes the symbol suitable for cosmetics and skincare packaging.

Brand Typography

- The brand name **AURA BEAUTY** is presented in an elegant typographic style.
- The lettering creates a sophisticated and premium appearance.
- Balanced spacing enhances readability and visual harmony.
- The typography complements the symbol without overpowering it.

Design Philosophy

- Minimalist and uncluttered composition.
- Elegant curves and balanced proportions.
- A combination of beauty-inspired and botanical elements.
- A versatile design suitable for different branding applications.
- A timeless appearance that can be maintained as the brand grows.

LOGO USAGE GUIDELINES

- Use the original logo artwork without altering its proportions.
- Maintain the same single-colour treatment throughout the brand identity.
- Avoid gradients, shadows, glow effects and unnecessary decorative elements.
- Preserve sufficient clear space around the logo.
- Ensure that the symbol and lettering remain legible at smaller sizes.
- Use high-quality vector artwork for professional printing.

RECOMMENDED LOGO APPLICATIONS

The logo can be applied to:

- Cosmetic product packaging.
- Skincare bottles, jars and tubes.
- Shopping bags and product boxes.
- Storefront signage.
- Product labels and stickers.
- Business cards and brand stationery.
- Digital branding and social media.

FINAL DESIGN SUMMARY

AURA BEAUTY – COSMETICS & SKINCARE

The logo represents a modern beauty brand through a minimalist letter A, elegant botanical details and refined typography. Its single-colour design maintains visual consistency and makes the identity adaptable to different packaging and branding applications.
